Dear Mr Lambourn

RE: APPROVAL OF ACCESS POLICY FOR PORT OF DARWIN

I write to confirm receipt of your letter of 23 February 2022, which provided a new draft access policy for the Port of Darwin for approval in accordance with the *Ports Management Act 2015* (the PM Act), and subsequently, a final revised version of the draft access policy provided on 7 April 2022. The final version of the draft access policy includes a timeframe for provision of a final Access Agreement and amendments to meet requirements under regulations 13(2)(ac) and 13(2)(ae) of the Ports Management Regulations 2015.

The draft access policy comprises of three documents:

- Access Policy of Darwin Port Operations Pty Ltd (ACN 603 472 788)
- Port of Darwin Standard Services Terms and Conditions
- Darwin Port Payment Terms and Conditions.

The Commission is satisfied that the amended draft access policy meets the requirements prescribed under the PM Act and Ports Management Regulations 2015 and, in accordance with section 127(4) of the PM Act, approves the draft access policy.

The approved access policy and a Statement of Reasons explaining the Commission's decision are enclosed. A copy of this letter (as the approval instrument) and the enclosed documents will also be published on the Commission's website.

The Commission notes that the approved access policy has immediate effect and will nominally expire 5 years from the date of its approval.

In accordance with regulation 13(3) of the Ports Management Regulations 2015, Darwin Port Operations Pty Ltd is required to publish the approved access policy on its website within 5 days of approval, that is, by 17 April 2022.

Should you have any questions regarding this letter or the approval process, please contact the Commission office on 8999 5480 or utilities.commission@nt.gov.au.

Yours sincerely
