## **APPROVAL OF SYSTEM CONTROL TECHNICAL CODE**

In accordance with section 38(1) of the *Electricity Reform Act 2000* and clause 27A(1) of the *Electricity Networks (Third Party Access) Code*, the Commission hereby approves the System Control Technical Code (“Technical Code”) developed by the Power and Water Corporation (“Power and Water”) – System Control.

The Commission’s approval of the Technical Code is subject to the following conditions:

- (a) the Technical Code is approved for use for a period of 5 years until 30 June 2013;
- (b) Power and Water is to review the effectiveness of the Technical Code prior to that date and advise the Commission of the outcome of the review; and
- (c) the Technical Code must be resubmitted for approval following any future amendments that may be made in accordance with clause 27A(3) of the *Electricity Networks (Third Party Access) Code*, or in light of subsequent amendments to the Network Technical Code.
