Dear Dr Walsh

RE: System Controller comment on Generation License Application – Katherine Solar Pty Ltd

This submission by Power and Water Corporation (PWC) relates to the Generation License Application (GLA) made by Katherine Solar Pty Ltd (KA Solar) on 11 October 2017 and is pursuant to PWC's role as the System Controller and Market Operator under the Electricity Reform Act.

On 15 December 2017 PWC System Control requested an extension to the comment period on Generator Licence Application by Katherine Solar. The Commission agreed to our request. This letter should be considered as supplementary to the submission made on 15 December 2017.

Generator Performance Standards

Attached is the current draft of the Generator Performance Standards (GPS). This draft is more mature than the version submitted in December and requires further development before it can be issued for consultation.

It would be appreciated if you could give this submission on the Katherine Solar Pty Ltd Generator License Application your consideration. Please don't hesitate to contact Malcolm Conway on (08) 8924 6516 if you would like to discuss.

Yours sincerely

Amelia Farmilo

A/General Manager System Control
