## **NOTIFICATION OF NON-APPROVAL DECISION** **OUT-OF-BALANCE ENERGY PRICES 2000-01**

In accordance with section 45 of the *Utilities Commission Act 2000* and clause 87(6) of the Electricity Networks (Third Party Access) Code ("the Code"), the Commission hereby gives notice that it is still unable to approve the schedule of proposed out-of-balance energy prices submitted by PAWA Generation on the grounds that, in the Commission opinion, the proposed prices do not in all respects comply with the principles laid down in Chapter 9 of the Code.

Accordingly, as provided for under clause 87(7), the prices approved by the Commission for use during the April to June 2000 period are to continue to apply until the Commission approves prices consistent the principles laid down in Chapter 9 of the Code.
