Dear Mr Rowe

Letter from Commissioner and 2024 Electricity Industry Performance Code Review Draft Decision

I refer to your letter dated 13 May 2025, attaching the draft decision of the Commission regarding amendments to the Electricity Industry Performance Code.

TGen is supportive of the amendments, especially in regard to SAIDI (System Average Interruption Duration Index) and SAIFI (System Average Interruption Frequency Index).

TGen appreciates the Commission's work on this matter.

Yours sincerely

Gerhard Laubscher
